Judith B. Cabrita Tourism Professional Scholarships

An Ontario native, Judith moved to Nova Scotia in 1970 and quickly became an advocate for the tourism industry in Nova Scotia. She is a graduate and silver medalist of the Hotel Program at Ryerson University and her extensive

experience in hotel and restaurant management led her to positions in Ontario, England and around Nova Scotia. Judith has always been an advocate for tourism education, championing for post secondary options to be available for students. Her strong passion for the industry and the employees working within it, led Judith to become a founding member of the Tourism Industry Association of Nova Scotia (TIANS) in 1977 and later to assume the role of president from 1993-2004. Under Judith's leadership TIANS became the model for industry associations across Canada.

The **Tourism Professional Scholarships** were developed to recognize the commitment and passion Judith has for people working in the tourism sector.

“Wishing you success and enjoyment with your professional development choice and continued achievements on your path to lifelong learning.”
